79th Annual Veterans Day Parade

The 2025 Veterans Day Parade will step off on the morning of Tuesday, November 11th, 2025. This will be the 79th Parade to be celebrated in our beautiful city. The parade has attained many distinctions and is an ever-growing event celebrating the men and women who have chosen to serve our Country in the United States Military.

We would like to thank all the sponsors that have advertised with us in the past to make this celebration what it is today. Because of our advertisers we can host our wonderful parade, as well as several activities leading up to Veterans Day.

Our parade magazine helps fund our council, which is an all-volunteer organization whose sole purpose is to act for and on behalf of the member organization and all 28,000 plus veterans living in Chatham County. Advertiser support in the Veterans Day magazine is the primary source to fund these events. Our official magazine is distributed throughout the Veterans Organizations.

A common phrase to veterans is, thank you for your service. For many of our local veterans, we continue to serve in our communities and each other to this day. More so than ever, we are relying on our previous as well as new advertisers to help us get our magazine to print. I can assure you, the thousands of Veterans in this community support our advertisers on a regular basis. Please continue to support this great community. God bless you; God bless our Veterans and God bless this great County.

For God and Country,

Joseph S. Higgins

Joseph S. (Joe) Higgins

Chairman, Veterans Council of Chatham County
